Offer Description

NOTICE

International selection competition procedure for the hiring of a PhD holder under Articles 18 and 20 of Decree-Law no. 57/2016, of August 29, as amended by Law No. 57/2017, of July 19

Pursuant to the provisions of article 11, paragraph 2, of Decree-Law no. 57/2016, of August 29, it becomes public that by Dean's decree of 26 January, 2023, the opening of an international selection competition procedure was authorized for the completion of a PhD holder job vacancy for the exercise of scientific research activities, under the funding UIDP/04923/2020 – CHRC Programático, financed by Fundação para a Ciência e a Tecnologia, I.P. (FCT, I.P.), under an uncertain fixed-term employment contract, under the Labor Code, at Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS), Universidade NOVA de Lisboa (UNL).

1 - The work as PhD holder in the scope of the project UIDP/04923/2020 – CHRC Programático, is intended to perform the following functions:

- a) Support all procedures for the creation the Biobank integrated in the R&D unit;
- b) Coordinate the day-to-day activities of the Biobank, respecting the strategy of the R&D unit and ensuring the proper functioning of the structure;
- c) Implement all ethical and legal procedures;
- d) Support the members of the research unit in their research projects involving the Biobank services;

- e) Develop and implement its own project within the Biobank of the R&D unit;
- f) Foster the promotion of the Biobank among CHRC members and the rest of the scientific community;
- g) Foster the promotion of the Biobank among civil society through the proposal of initiatives;
- h) Promote the raising of financing and the sustainability of the Biobank.

2 - General requirements of the application:

Candidates may be Portuguese nationals, foreigners and stateless persons, and should hold a scientific and professional curriculum that reveals an adequate profile for the activity to be developed, with the following requirements:

- a) Holder of PhD in Life Sciences or related areas.

3 - Specific requirements of the application:

The curriculum evaluation will take into account the following requirements:

- a) Proven experience in writing articles and other publications;
- b) Proven professional experience in a research environment, particularly molecular biology (minimum 10 years of experience).
- c) Experience in managing human samples.
- d) Knowledge in the use of Biobank management software;
- e) Experience in team coordination (minimum 2 years);
- g) Excellent knowledge of oral and written English;
- h) Organizational skills and communication skills..

4 - Contracting:

The contracting is made through a fixed uncertain term work contract under the Labor Code, as a PhD holder, and is remunerated according to remuneration level 33 of the single remuneration table (TRU), pursuant to article 5 of Decree-Law no. 11-A / 2017, of December

29.

5 - Place of work:

The workplace is located on Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS), Universidade NOVA de Lisboa (UNL), at Campo dos Mártires da Pátria, 130, 1169 -056 Lisboa.

6 - Documents that must instruct the application:

i) Motivation Letter;

ii) Detailed curriculum vitae in accordance with the application requirements;

iii) Copy of doctoral certificate or diploma. If the authorization has been conferred by foreign higher education institution must be recognized by a higher education institution Portuguese, pursuant to the provisions of Decree-Law No. 66/2018, published in the Diário da República, 1st series, no. 157, of August 16, 2018, and any formalities established therein must be complied with up to the date of effectiveness of the contract;

iv) Other documents relevant to the assessment of the adequacy of the requested profile.

7 - Application deadline:

The applications, duly instructed with the documents referred to in item 6 of this Notice, must be submitted within 10 working days of the day immediately following the publication of this Notice in the Diário da República and must be sent by e-mail, indicating the reference in Title to the electronic address rh.recrutamento@nms.unl.pt

Applications can be submitted in Portuguese or English.

The deadline for submitting an application is 24 hours (00:00 hours in Portugal) of the last day of the term.

Non-compliance with the established application submission deadline, as well as the formalization incorrect application, determines the exclusion of the application. The exclusion decision is communicated to the candidates by email, for the purpose of holding the hearing of those interested.

False statements made by candidates will be punished under the terms of the law.

8 - Methods of selection and definition of the respective weights:

a) The curricular evaluation will be performed in a numerical scale ranging from 0 to 20 and will consider the items i) and ii) defined above ascribing the following ponderation: i) Motivation Letter (30%); ii) Detailed Curriculum vitae (70%).

b) If deemed necessary by the jury, the top three candidates will be selected for an individual interview.

c) In this latter case, the curricular evaluation will have a weight of 90% and the interview a weight of 10%. The final classification of each individual candidate will result from the average of the evaluations provided by the jury members.

d) In case there is no interview, the final classification will be equal to the classification obtained in the curriculum evaluation.

e) In the case of a tie, it is incumbent to the president of the jury to choose the candidate.

f) In accordance with Decree-Law no. 29/2001, of February 3, candidates with disabilities are favoured when equally classified. This prevails above any other legal preference. The candidates must declare their type and degree of disability in their motivation letter, as well as the means of communication/expression to be used in the selection process.

9 - In accordance with article 13 of Decree-Law no. 57/2016, of August 29, the Jury is composed as follows:

President of the Jury – Helena Canhão, Full Professor, Dean, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa;
