Scientific Output NOVA Medical School

A classificação em áreas temáticas foi realizada de acordo com as categorias das revistas indexadas na Scopus (SJR).

The classification into subject areas was performed according to the categories of the journals indexed in Scopus (SJR).

Recordamos que, de acordo com o Despacho N° 09/2022, a designação CEDOC foi substituída por NOVA Medical School, com implicações práticas ao nível da afiliação dos investigadores e consequentemente na produção científica da NMS. A data de implementação desta alteração ocorreu no dia 24 de junho de 2022.

A 31 de dezembro de 2022, o CEDOC passou a *former organisational unit*. Contudo, verificamos que há ainda alguns autores que continuam a utilizar esta afiliação, pelo que agradecemos a vossa melhor atenção para este assunto de modo a dar cumprimento ao informado em junho de 2022.

We remind you that, according to Despacho N° 09/2022, the designation CEDOC was replaced by NOVA Medical School, with practical implications for the affiliation of researchers and consequently for the scientific production of NMS. The implementation date of this change occurred on June 24th 2022.

On December 31st 2022, CEDOC became a *former organisational unit*. However, there are still some researchers who continue to use this affiliation, so we would appreciate your best attention to this matter in order to comply with what was informed in June 2022.
