Offer Description

Research Grant (BI), for the conduct of R&D activities by a graduate with a “Licenciado” degree enrolled in a Master or in a course non-leading to an academic degree

ref.* SAI/2023/05 - 1 vacancy

There is an open call for applications for a Research Grant (BI), for the conduct of R&D activities by a graduate with a “Licenciado” degree enrolled in a Master or in a course non-leading to an academic degree, under reference SAI/2023/05 in the scope of the project UIDP/04923/2020 – CHRC Programático, at the institution Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS) from Universidade NOVA de Lisboa (UNL), supported by income from the above mentioned project financed by the FCT (*Fundação para a Ciência e a Tecnologia, I.P.*), under the following conditions:

Field of study: Health Policies, Digital Health, Primary Care, and Health Services Research

Admission requirements(eligibility criteria):

- Bachelors’ degree in health sciences (medicine, nursing, health technicians), social sciences applied to health (psychology, sociology, anthropology) or biomedical engineering.
- Currently enrolled in a Master’s program. Proof of enrolment in a Master’s program can be obtained until the contract is signed. The evaluation here will only consider whether the candidates meet the requirements to enrol in a Master’s program or a non-degree course.
- Experience in research projects related to information technologies.
- Good knowledge of the Portuguese language and good knowledge of scientific writing in the English language.

Work plan:

Conducting a scoping review of literature; conducting focus groups with patients, primary healthcare professionals and hospital care professionals; integration of sensor data into METHIS to support the pilot project; collaboration in the analysis and interpretation of qualitative data; collaboration in the writing of reports and scientific articles.

Legislation and applicable regulations:

The fellowship is legally framed by the Research Fellowship Holder Statute and the FCT Regulation for Research Studentships and Fellowships in force.

Place of work:

The work will be carried out at Person-Centered Research Group of Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS) from Universidade NOVA de Lisboa (UNL), under the scientific supervision of Professor Doutor Bruno Heleno, do Professor Doutor Luís Velez Lapão e da Professora Doutor Lara Guedes de Pinho.

Fellowship duration and predicted start date:

The fellowship will last for 6 months and is expected to start on May 1st, 2023.

The fellowship contract is eventually renewed for an equal period until the end of the project.

Monthly Scholarship Amount:

The monthly amount of the fellowship corresponds to € 930.98 (nine hundred and thirty euros and ninety-eight cents), paid monthly by bank transfer, according to the table of stipend values of FCT, I.P., in the country.

Selection Methods:

The motivation letter and CV of candidates will be evaluated according to the weighting of the following factors:

Preferred factors and their assigned values in %:

- Experience in presenting and publishing results of scientific research (articles and oral presentations) - 30%
- Experience in project management and health information systems - 30%
- Native language or certification of oral and written proficiency level in Portuguese (level C1 or higher, according to the Common European Framework of Reference for Languages) - 10%
- Native language or certification of oral and written proficiency level in English (level C1 or higher, according to the Common European Framework of Reference for Languages) - 10%
- Immediate availability - 20%

Candidates who have the appropriate skills and competencies for the position may be invited for an interview, which will carry a weight of 50% in the final evaluation.

Selection Jury:

- President of the Jury – Bruno Heleno, FCM|NMS;
- 1st Effective Jury Member – Luís Lapão, FCT NOVA;
- 2nd Effective Jury Member – Marília Paulo, FCM|NMS;
- 1st Alternate Jury Member – Lara Guedes de Pinho, Universidade de Évora;
- 2nd Alternate Jury Member – Melanie Maia, FCT NOVA.

Form of publicizing/notifying the results:

The results of the evaluation will be sent by email to the candidates who submitted the application within the deadline. The candidates will also be notified by email that if they wish to comment at the prior hearing, they should present their comments by email within 10 working days.

Application deadline and form of presentation of applications:

The call is open from March 23 to April 5th, 2023 (10 working days), and is published on <https://euraxess.ec.europa.eu/> and in <https://www.nms.unl.pt/en-us/NMS/Join-NMS/Recruiting> (Portuguese and English versions on this website).

Applications have to be submitted by email, to rh.recrutamento@nms.unl.pt, mentioning the reference SAI/2023/05 in the Subject of the message.

Applications are formalized by sending a Letter of Motivation accompanied by the following documents: *Curriculum vitae*, Certificate of Qualifications, proof of enrolment in a Master or in a course non-leading to an academic degree or statement on the CV or on the letter of motivation saying that the candidate wants to enter a Master or a course non-leading to an academic degree, and other supporting documents deemed relevant.

FCM|NMS reserves the right not to award the proposed grant if the candidates do not meet the requirements indicated in this announcement.
