Offer Description

NOTICE

International selection competition procedure for the hiring of a PhD holder under Articles 18 and 20 of Decree-Law no. 57/2016, of August 29, as amended by Law No. 57/2017, of July 19

Pursuant to the provisions of article 11, paragraph 2, of Decree-Law no. 57/2016, of August 29, it becomes public that by Dean's decree of November 14, 2023, the opening of an international selection competition procedure was authorized for the completion of a PhD holder job vacancy for the exercise of scientific research activities, under the funding HORIZON-HLTH-2022-CARE-08-04-PREVENTABLE, financed by HORIZON-HADEA, under an uncertain fixed-term employment contract, under the Labor Code, at Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS), Universidade NOVA de Lisboa (UNL).

1 - The work as PhD holder in the scope of the project HORIZON-HLTH-2022-CARE-08-04-PREVENTABLE, is intended to perform the following functions:

- a) Support the WP Leader and UNL research team in all activities described under WP4 of PREVENTABLE, participate in other activities of PREVENTABLE in which UNL is also involved, and co-supervise the activities of the research assistant.
- b) Conceptual development of an international survey to assess barriers and facilitators to the uptake and referral of care pathways for Rare Tumour Risk Syndromes
- c) Conceptual development of a qualitative study using focus groups to assess barriers and facilitators to the uptake and referral of care pathways for Rare Tumour Risk Syndromes
- d) Develop Standard Operational Procedures and Protocols for the studies

- e) Train in-site researchers in the PREVENTABLE clinical sites in the EU to conduct the Focus groups
- e) Conduct mixed data analysis
- f) Support the development of person-centred communication guidelines for clinical teams in relation to the communication of care pathways for Rare Tumour Risk Syndromes
- g) Prepare reports for the EU Commission, and peer-review scientific publications resulting from the studies.
- h) Work in a collaborative environment between Nova Medical School and the National School of Public Health of Universidade Nova de Lisboa.

2 - General requirements of the application:

Candidates may be Portuguese nationals, foreigners, and stateless persons, and should holder a scientific and professional curriculum that reveals an adequate profile for the activity to be developed, with the following requirements:

- a) Holder of PhD in Psychology, other social sciences, or health sciences or related areas.

3 - Specific requirements of the application:

The curriculum evaluation will take into account the following requirements:

- a) Previous experience in research projects, with preference for international and/or consortium based projects
- b) In-depth knowledge of health-related behavioural science/psychology theories and methods (e.g., COM-B Model, Behaviour Change Wheel Framework)
- c) Experience in quantitative and qualitative research methods in psychology, both for data collection and data analysis
- d) Skilled in using statistical analysis and qualitative analysis softwares
- e) Proficiency in written and spoken English
- f) Demonstration of organization skills and autonomy

4 - Contracting:

The contracting is made through a fixed uncertain term work contract under the Labor Code, as a PhD holder, and is remunerated according to remuneration level 33 of the single remuneration table (TRU), pursuant to article 5 of Decree-Law no. 11-A / 2017, of December 29.

5 - Place of work:

The workplace is located on Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS), Universidade NOVA de Lisboa (UNL), at Campo dos Mártires da Pátria, 130, 1169 -056 Lisboa.

6 - Documents that must instruct the application:

i) Motivation Letter;

ii) Detailed curriculum vitae in accordance with the application requirements;

iii) Copy of doctoral certificate or diploma. If the authorization has been conferred by foreign higher education institution must be recognized by a higher education institution Portuguese, pursuant to the provisions of Decree-Law No. 66/2018, published in the Diário da República, 1st series, no. 157, of August 16, 2018, and any formalities established therein must be complied with up to the date of effectiveness of the contract;

iv) Other documents relevant to the assessment of the adequacy of the requested profile.

7 - Application deadline:

The applications, duly instructed with the documents referred to in item 6 of this Notice, must be submitted within 10 working days of the day immediately following the publication of this Notice in the Diário da República and must be sent by e-mail, indicating the reference in Title to the electronic address rh.recrutamento@nms.unl.pt

Applications can be submitted in Portuguese or English.

The deadline for submitting an application is 24 hours (00:00 hours in Portugal) of the last day of the term.

Non-compliance with the established application submission deadline, as well as the formalization incorrect application, determines the exclusion of the application. The exclusion decision is communicated to the candidates by email, for the purpose of holding the hearing of those interested.

False statements made by candidates will be punished under the terms of the law.

8 - Methods of selection and definition of the respective weights:

a) The curricular evaluation will be performed in a numerical scale ranging from 0 to 20 and will consider the items i) and ii) defined above ascribing the following ponderation: i) Motivation Letter (30%); ii) Detailed Curriculum vitae (70%).

b) If deemed necessary by the jury, the top three candidates will be selected for an individual interview.

c) In this latter case, the curricular evaluation will have a weight of 90% and the interview a weight of 10%. The final classification of each individual candidate will result from the average of

the evaluations provided by the jury members.

d) In case there is no interview, the final classification will be equal to the classification obtained in the curriculum evaluation.

e) In the case of a tie, it is incumbent to the president of the jury to choose the candidate.

f) In accordance with Decree-Law no. 29/2001, of February 3, candidates with disabilities are favoured when equally classified. This prevails above any other legal preference. The candidates must declare their type and degree of disability in their motivation letter, as well as the means of communication/expression to be used in the selection process.

9 - In accordance with article 13 of Decree-Law no. 57/2016, of August 29, the Jury is composed as follows:

President of the Jury – Ana Rodrigues, Assistant Professor, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa;

1st Effective Member – Marta Marques, Assistant Professor, National School of Public Health, Universidade NOVA de Lisboa;

2nd Effective Member – Isabel Fonseca, Invited Assistant Professor, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa;

1st Substitute member – Nuno Mendonça, Auxiliar Researchers, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa.;

2nd Substitute member – Cristina Godinho, Assistant Professor, National School of Public Health, Universidade NOVA de Lisboa.

The Jury's deliberations are taken by reasoned nominal vote in accordance with the selection criteria adopted and disclosed, with no abstentions allowed.

The Jury's deliberations are taken by reasoned nominal vote in accordance with the selection criteria adopted and disclosed, with no abstentions allowed.

10 - Participation of the interested parties and decision:

The final ordering is notified to the candidates, by email, so that they can comment on the purpose of holding the hearing for the interested parties, pursuant to article 121 and following of the Code of Administrative Procedure.

After the hearing of the interested parties, the jury assesses the allegations offered and approves the final ranking list of successful candidates.

The final deliberation of the jury is approved by the M.I. Rector of UNL, who is also responsible for decide on hiring.

11 - This Notice is advertised on the Bolsa de Emprego Público, at www.bep.gov.pt, on the first
