OFFER DESCRIPTION

Aviso n.º 22145/2022

(Notice no. 22145/2022)

International selection competition procedure for the hiring of a Assistant Researcher under Articles 18 and 20 of Decree-Law no. 57/2016, of August 29, as amended by Law No. 57/2017, of July 19.

Pursuant to the provisions of article 11, paragraph 2, of Decree-Law no. 57/2016, of August 29, it becomes public that by Dean's decree of October 25, 2022, the opening of an international selection competition procedure was authorized for the completion of a Assistant Researcher job vacancy in the scientific areas of Biomedicine, with special emphasis on the area of Cellular and Molecular Biology, under the funding 02/SAICT /2020/072552 granted by the Programa Operacional Regional de Lisboa supported by the FEDER and by national funds, through the Fundação para a Ciência e a Tecnologia, I.P. (FCT, I.P.), under an uncertain fixed-term employment contract, under the Labor Code, at Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS), Universidade NOVA de Lisboa (UNL).

1 — The position of Assistant Researcher, in the scientific area of Biomedicine, with special emphasis on the area of Cellular and Molecular Biology, with a view to the performance of following functions: a) Detailed study of the biogenesis of exosomes and their possible functions; b) Study of the role of exosomes in COVID-19 disease; c) Development of

research projects in the scientific area of the competition and obtaining financing.

- a) Detailed study of the biogenesis of exosomes and their possible functions;
- b) Study of the role of exosomes in COVID-19 disease;
- c) Development of research projects in the scientific area of the competition and obtaining financing.

2 — Admission requirements:

Candidates for the contest may be nationals, foreigners and stateless persons, holders of a scientific and professional curriculum that reveals an adequate profile for the activity to be developed, with the following requirements:

- a) Curriculum vitae that reveals experience in the area of Biomedicine, with special emphasis on the study of exosomes and COVID-19;
- b) For the purposes of evaluating the Curriculum vitae, candidates must prove their overall scientific production and over the last 5 years, by publication in scientific journals, which are part of the Scopus database, by adding the impact factor of the 2 best publications of the last 5 years, as first author or corresponding author, of at least 25.

3 — Contracting:

The contracting is made through a fixed uncertain term work contract under the Labor Code, as a Assistant Researcher, and is remunerated according to remuneration level 195, 1st degree of the category of Assistant Researcher of the scientific research career, pursuant to Annex I of Decree-Law No. 124/99, of April 20, and to No. 2 of Article 2 of the Regulatory Decree No. 11 -A/2017, of December 29.

4 —Place of work:

The workplace is located on Faculdade de Ciências Médicas|NOVA Medical School (FCM|NMS), Universidade NOVA de Lisboa (UNL), at Campo dos Mártires da Pátria, 130, 1169 -056 Lisboa.

5 —Documents that must instruct the application:

- i) Career development plan describing the relevance of the scientific path and other activities carried out for the functions to be performed;
- ii) Detailed curriculum vitae in accordance with the application requirements;
- iii) Copy of doctoral certificate or diploma. If the authorization has been conferred by foreign

higher education institution must be recognized by a higher education institution Portuguese, pursuant to the provisions of Decree-Law No. 66/2018, published in the Diário da República, 1st series, no. 157, of August 16, 2018, and any formalities established therein must be complied with up to the date of effectiveness of the contract;

iv) Copy of the 5 most relevant publications;

v) Other documents relevant to the assessment of the adequacy of the requested profile.

6 — Application deadline:

The applications, duly instructed with the documents referred to in item 5 of this Notice, must be submitted within 15 working days of the day immediately following the publication of this Notice in the Diário da República and must be sent by e-mail, indicating the reference in Title to the electronic address rh.recrutamento@nms.unl.pt.

Applications can be submitted in Portuguese or English.

The deadline for submitting an application is 24 hours (00:00 hours in Portugal) of the last day of the term.

Non-compliance with the established application submission deadline, as well as the formalization incorrect application, determines the exclusion of the application. The exclusion decision is communicated to the candidates by email, for the purpose of holding the hearing of those interested.

False statements made by candidates will be punished under the terms of the law.

7 — Methods of selection and definition of the respective weights:

a) The curricular evaluation will be performed in a numerical scale ranging from 0 to 20 and will consider the items i) and ii) defined above ascribing the following ponderation: i) Career development plan (35%); ii) Detailed Curriculum vitae (65%).

b) If deemed necessary by the jury, the top three candidates will be selected for an individual interview. If the vacancy is not filled, the following candidates, as long as the classification of the curricular evaluation is superior to 15 values.

c) In this latter case, the curricular evaluation will have a weight of 90% and the interview a weight of 10%. The final classification of each individual candidate will result from the average of the evaluations provided by the jury members.

d) In case there is no interview, the final classification will be equal to the classification obtained in the curriculum evaluation.

e) In the case of a tie, it is incumbent to the president of the jury to choose the candidate.

f) In accordance with Decree-Law no. 29/2001, of February 3, candidates with disabilities

are favored when equally classified. This prevails above any other legal preference. The candidates must declare their type and degree of disability in their motivation letter, as well as the means of communication/expression to be used in the selection process.

8 — In accordance with article 13 of Decree-Law no. 57/2016, of August 29, the Jury is composed as follows:

President of the Jury – Professor Paulo de Carvalho Pereira, Research Coordinator, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa;

1st Effective Member – Professor Cláudia Santos, Principal Investigator, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa;

2nd Effective Member – Professor António Jacinto, Principal Investigator, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa;

1st Substitute member – Professor Emília Monteiro, Full Professor, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa.;

2nd Substitute member – Professor Miguel Seabra, Full Professor, Faculdade de Ciências Médicas|NOVA Medical School, Universidade NOVA de Lisboa.

The Jury's deliberations are taken by reasoned nominal vote in accordance with the selection criteria adopted and disclosed, with no abstentions allowed.

9 — Participation of the interested parties and decision:

The final ordering is notified to the candidates, by email, so that they can comment on the purpose of holding the hearing for the interested parties, pursuant to article 121 and following of the Code of Administrative Procedure.

After the hearing of the interested parties, the jury assesses the allegations offered and approves the final ranking list of successful candidates.

The final deliberation of the jury is approved by the M.I. Rector of UNL, who is also responsible for decide on hiring.

10 — This Notice is advertised on the Bolsa de Emprego Público, at www.bep.gov.pt, on the first business day following its publication in the Diário da República, as well as on the <https://euraxess.ec.europa.eu> and on the electronic page of the Faculdade de Ciências Médicas|NOVA Medical School of the Universidade NOVA de Lisboa.

11 — In all that is not expressly provided for in this Notice, the procedure is governed, in particular, by the provisions contained in Decree-Law no. 57/2016, of August 29, as

amended by Law no. 57/1017, of July 19, in Regulatory decree no. 11-A / 2017, of December 29, in the Constitution of the Portuguese Republic and in the Code of Administrative Procedure.

12 — Non-discrimination and equal access policy:

Faculdade de Ciências Médicas|NOVA Medical School, an organic unit of Universidade NOVA de Lisboa, actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, harmed or deprived of any right or exempt from any duty due, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, language, religion, political or ideological convictions and trade union membership.

October 26, 2022. — The Director, Professor Helena Canhão.
